

# Auburn School Family Resource/Youth Service Center

## Programs Fall 2019

A program to help students **in need** of nutritious meals for the weekend or during school breaks. Each student who is approved for the program will receive a bag of food each Friday. If your family would like to participate please call or return the form below for an application.

This program is to help a **limited number of students in need** of a quality pair of shoes and who are unable to afford new shoes for school. We will have a limited number of slots available. If you would like an application form please call or return the form below for an application.

The Family Resource Center is looking for volunteers to serve in many areas at Auburn School. Please check with us to see if you are on our approved volunteer list. Look for information about volunteer opportunities.
