Four LCHS Students Accepted into the Governor’s Scholar Program

The Governor's Scholars Program works to grow Kentucky's next generation of civic and economic leaders. The program was established in 1983 to provide academic and personal growth through a strong liberal arts program and a full co-curricular and residential life experience. Students must complete an application and compete with others from across the state for a spot in the program. Those who receive the honor of being a Governor’s Scholar spend five weeks of the summer at one of three college campuses across the state: Murray State, Morehead, or Northern Kentucky University. Last year, Logan County was honored to have four students accepted into the program. Ellie Hughes and Grace McLellan attended the Bellarmine University program. Sierra Morrow stayed at Morehead University, and Rachel Barnett studied at Murray State University. These girls all said the GSP experience is something words cannot describe and encourage other students to apply. This year, Logan County High School had four students accepted into this summer program. Will Bingham, Blake Taylor, Matthew Edgar, and Ann-Meguiar Bouldin all moved past the school and state level, making them eligible to be a Governor’s Scholar. These students will accept or decline their invitation to attend the Governor’s Scholar Program in the next few weeks. Congratulations and good luck to these students!

Red, White, and Blue Strawberry Short Cake

1 (18.25 oz.) package of yellow cake mix
1 (8 oz.) container of frozen whipped topping, thawed
1 pint blueberries rinsed and drained
2 pints fresh strawberries, rinsed and sliced

Prepare cake according to package directions and bake in a 9-by-13 inch pan. Cool completely.
Frost cake with whipped topping. Place blueberries in a square to match the stars on the flag. Then arrange the sliced strawberries to match the stripes on the flag. Chill until serving.

Red, White, and Blue Patriotic Drink

Cranberry Juice, chilled
Blue Gatorade (not sugar-free), chilled
Sprite Zero, chilled
Ice

Fill each glass with ice. Pour the cranberry juice into the glass, filling about 1/3 of the way.
Slowly pour the blue Gatorade on top of the ice and let it flow down until it fills the cup another 1/3 of the way (so now the glass should be 2/3 full). Finally, slowly pour the Sprite Zero on the ice and let it slowly flow down to create the final layer. Serve immediately.

Patriotic Pops

1-1/4 cups of sliced fresh strawberries
1-3/4 cups (or 14 ounces) of vanilla yogurt
1-1/4 cups of fresh or frozen blueberries
12 popsicle molds and 12 wooden popsicle sticks

Using a blender, combine 1 cup of strawberries and 2 tablespoons of yogurt, cover and process until fully blended. Transfer this mixture into a small bowl. Chop remaining strawberries; stir into mixture and then blend. Combine 1 cup of blueberries and 2 tablespoons of yogurt, cover and process until fully blended. Stir in remaining blueberries.
Layer 1 tablespoon of the strawberry mixture, 2 tablespoons of yogurt, and 1 tablespoon of blueberry mixture in each of the 12 molds. Place the sticks at the bottom of the popsicle and then close the mold holders. Freeze until firm. This recipe should make 12 patriotic pops for you and your company while celebrating the 4th of July!
Summer Hacks

Use a fitted sheet at the beach to keep sand from falling in.
Turn your steering wheel upside down when you park so the steering wheel isn’t so hot.
Stick cloves in a lime for bug repellent with a good scent.
Use Doritos if you run out of charcoal.
Sprinkle on baby powder when you get back from the beach so you can rub the sand off with no irritation.
Ice cubes of Aloe Vera for sunburn relief.
Put your phone in a Ziploc bag to protect from sand and water.
Make your own mosquito spray with hot water and basil.
Make holes in an empty two liter and use as a sprinkler.
Serve condiments in a muffin tin.
